ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

**The Endcliffe Woods.** These beautiful woods and dales were purchased by the Corporation in 1885, and with additional land added by the Queen's Jubilee Committee, contain an area of 33 acres. The woods, naturally picturesque, have been improved by the formation of flower beds, ornamental shrubberies, rustic bridges and good paths, making a delightful retreat, and one of the most appreciated recreation grounds owned by the city.
